BIBLE SCHOOL AT NEW HOPE BAPTIST CHURCH

Here comes the next installment on Vacation Bible School at New Hope on June 12-16, with registration day on June 10, at ten o'clock!

This week we shall concentrate on the older children, ages 9 - 11, and their teachers, Mrs. Bessie O'Brien will direct the group; Mrs. Emma Lemon, Mrs. Mildred Alvis, Mrs. Jo Meadows, and Mrs. Margaret O'Brien will assist her. Their aides will be R. B. Carter, Jr., Roger Meadows, and possibly Calvin and Marvin Mitchell. You can't afford to miss this opportunity for Bible study!

The group will use the book "God Uses Special People." The teachers are planning to develop projects under two big headings. "God's Word, the Bible" an "God's Work, Mission. " The young people will carry out the projects which the teachers will supervise in four groups. In the study of God's Word there will be such interesting projects as (1) a Bible Scroll; (2) A scripture verse file; (3) a picture magazine; and (4) a dictionary of Bible words. In the study of God's work, the children will have such projects as (1) seekers and finders; (2) how to become a missionary; (3) Mission Scrap book; and (4) T. V. Broadcasters.

The children will have Bible games, puzzles, stories and many interesting means of emphasizing the Bible. Come and join them that you too may learn more about your Bible.

The youth (from 12-17) of the church, under the direction of the Rev. Deryl Holliday, will study "Where I Live": Mr. Holliday will meet in the homes of the pupils from 7:30 to 9:00 p.m. In this informal atmosphere, the group will be looking closely at some problems that Bible characters faced and trying to determine what help teenagers can find for solving their problems. In addition, they will be studying family relationship and God's purpose for families. This will be an up-to-date study for modern teenagers.

There will be music, recreation, and refreshments also; in other words, there will be a constant "change of pace." These teachers and helpers have had a number of planning meetings with interesting results which you may share when you join us on June 12-16.

Come and bring your friends.

REV. EARNIE W. LUCAS

9th Anniversary

This coming Sunday, June 4, 1972, will mark the nineth anniversary of Ernie W. Lucas as pastor of the Bible Baptist Church. As we look back over these nine years we can see how the church has gown in grace as well as number.

The Bible Baptist Church was organized on Sunday evening, March 1, 1953, in the Appomattox High School Auditorium. Rev. Paul F. Donnelson, organizer and served as part-time pastor. When the church had about 100 members a full-time pastor was called. Rev. Pat Giles of Tyler, Texas, served as the first pastor of the church.

In 1955 Rev. Randolph Hite became pastor. In 1959 he started the new building which is now on Route 4 of Appomattox. The new building was 40 x 62 feet, block and brick structure. It consisted of one story and a full basement, and had ten classrooms, a nursery and an auditorium which seated nearly 200. The building was completed in September of 1959, in 1960, the new church had 150 members.

The first Sunday in June, 1963, Mr. Earnie W. Lucas became pastor. Pastor Lucas is a native of Wilson, N.C. He received his "Graduate of Theology" from the Baptist Bible College in Springfield, Mo. When Mr. Lucas came here as pastor the church was giving 8% of the General Fund to Missions and weekly offerings were averaging $130 per week. In 1966 the "Ground Breaking Service" was held for the new parsonage. This was to be constructed beside the church.

Today the church averages 200 in Sunday School with weekly offerings averaging $850. The church also averages approximately $175 a week in Faith Promise Missions and also 19% of the General Fund goes to Missions. The church has a weekly broadcast on WBRG each Sunday morning at 7:30. Approximately five years ago the church added the present Sunday School building behind the sanctuary to accomodate their rapidly growing classes. They are now, because of the lack of space, adding a second floor to this building also building another two story building beside the present one. The new building will be composed of 19 classrooms, two offices for pastor and secretary, a printing room and audio room. This building is expected to be completed in the fall.

The members of the Bible Baptist Church would like to extend a cordial invitation to our many friends in the area to visit with them this coming Sunday and help them celebrate the ninth anniversary of Mr. Lucas as pastor of the church.

Scouts Complete Project SOAR

On Saturday, May 27th, the Scouts of Appomattox gathered at the vacant lot adjacent to the Western Auto Store for Phase II of Project SOAR. The girls and boys spent several hours cleaning and raking. As a result of their hard work, 7 pick-up truck loads of trash and leaves were hauled away. The scouts pictured above are shown with some of the 175 trash bags that were filled. The Senior Girl Scouts were not able to attend Saturday's work project, They did their share of the work earlier in the week by hauling out 5 truck oads of trash. In addition to their share of the work, the Senior Girls also were responsible for all of the publicity for Project SOAR. Approximately 36 Scouts took part in Saturday's work. They were assisted by five scout leaders and several parents. A number of local young people also pitched in.

The clean-up phase of Project SOAR proved to be more work than had been anticipated. The work could not be completed on Saturday. The Scouts will continue to work in the area until the job is done.

The Scouts expressed their appreciation to Kings Market, Moses Motors, Western Auto, Dairy Queen and Hickory House Drive-In and Times-Virginian for their support. A special thanks to Mr. Avery Wright for his assistance on Saturday.

This completes Project SOAR for this year. The Scouts ask that all people in the Appomattox area take their efforts as an example and help them keep Appomattox clean and beautiful. If everyone does their small part, projects like SOAR would not be necessary.
